

LeRoy Summer Theater Camp

Program Introduction

We are so excited to offer this opportunity for the second time this year! We will again be hosting a three-week theater camp in July. We are inviting **incoming fifth, sixth, seventh, and eighth grade students** to participate in this year's camp.

Our camp will begin on Monday, July 10th, and run from 9am-4pm each weekday for three weeks. The final day of camp will be Friday, July 28nd. Conflicts with camp days (sports camps, baseball games, long weekend trip, etc.) can usually be worked around when notified in advance.

This camp is designed for students with varying levels of theater experience, from true beginners, to those experienced with school and community theater. Students will be expected to have a strong work ethic, and be able to work independently at times while preparing for our production.

Show Announcement & Auditions

The show title will be announced on the first morning of camp! Show selection cannot take place until we have an idea of how many actors we will have. On the first morning of camp, we will announce the show, read through the story, listen to the music, and prepare for auditions. In the afternoon, we will audition for the show! Roles of all sizes are available. Students may be asked to read lines, sing, and learn basic choreography as part of the audition process. Audition results will be posted online the first evening of camp.

Tickets & Performances

We will give two evening performances on Friday, July 28th, and Saturday, July 29th. It is essential that all participating students are available for both performances. Tickets will be sold at the door prior each performance for \$5.00.
