

Wizard of Oz – December Rehearsal Schedule

Below you will find the schedule for December rehearsals. There are many sports conflicts this time of year, and I do my best to work around the ones that I am aware of. If your student needs to leave a few minutes early to eat and make it to a practice, that will not be an issue. If rehearsals and practices conflict, please try to strike a balance between commitments with your coaches.

All December rehearsals will take place in the LES music room.

While planning for January, please keep Monday, January 20th (MLK, JR. Day) open for an extended practice if possible!

We will use the time on this day to rehearse, build, and paint. We will also need parent help on this day.
